Corporate Training in Organizational and Political Savvy

Consultant Bio

For the last 25 years, Juan Pablo Mobili, has been a consultant who promotes partnership, leadership, and integrity as requirements for meeting ambitious corporate goals. He provides businesses in Europe, Latin America, and the United States with opportunity for ongoing success by delivering programs designed to develop individual and team skills, leadership, and innovative company-wide strategies.

Juan's work has significant impact. His extensive experience coaching executives and managers, in this country and abroad, has been recognized and sought by companies like GE and Wyeth among others for issues ranging from career derailment to the development of future senior leaders. His diversity awareness programs for Coca Cola USA and Sprint examined attitudes and focused on developing tools for effective communication. Juan's efforts in organization renewal and the facilitation of management-union relations have boosted results for clients like Warner-Lambert, Abitibi Consolidated, and Mack Trucks.

Other highlights of his experience include leadership and presentation skills development, and mentoring internal consultants, for G.E. Capital and United Technologies Corp. Currently, Juan is actively involved in consulting The Colomer Group, a multi-national company based in Barcelona, Spain, on articulating and executing their worldwide vision and strategic mission through Europe, USA, and Latin America.

Juan was educated in Argentina and the U.S. with emphasis on the philosophy of language and social anthropology. He is also certified as a Zenger-Miller instructor, and is fluent in Spanish and English.

Translating works to and from Spanish, Italian, and Portuguese enhances Juan's understanding of the nuances of language and culture in business communication. He is a published poet and the director of an international book collection. The collection's concern with reconciling our sense of personal authenticity and ownership with the obligations of being a leader in business echoes the respect Juan extends in his commitment to provide lasting and meaningful business counsel.

Juan Mobili, M.A.

An "edu-taining" instructor of a wide range of leadership and employee development competencies who brings fun, "straight feedback," and three decades of experience.

“

Juan is sometimes called 'The Latino Jerry Seinfeld,' with his engaging blend of practical skill building, humor, and down-to-earth friendly style that creates a high-energy, positive learning environment.
