3-Day Affiliate Consultants Certification

Add Our Industry-Leading Course to Your Product Offerings as a Licensed Broker

October 10-12 in New York City

Brandon Partners at a Glance - A U.S. based corporate training firm with affiliates globally, Brandon Partners teaches company leaders, managers, and professionals the vital, cutting-edge leadership competency of *Organizational Savvy*, based on our Wall Street Journal bestseller *Survival of the Savvy*. We're the most widely used workshop provider for grounding leaders and professionals in strategic influence and organizational impact through high-integrity company politics.

Our Flagship Program - Organizational Savvy is the pre-eminent program used by scores of Fortune 1000 companies to transform organizational politics from a taboo topic into an ethical, intriguing, and motivating vehicle for individual and enterprise effectiveness. Our classroom and webinar workshops (2-day, 1-day, or 1/2-day) teach how to navigate company politics, a mission-critical competency in today's competitive and complex work environment. This course has only a handful of competitors, and none offers our combination of a *Wall Street Journal* bestseller, robust online skills assessment, and impressive client user list.

Join Our Affiliate Consultants Network - We're expanding our international broker network of training companies and solo practitioners who can now add this unique program to their product portfolio. We invite you to discuss joining our pool of learning professionals who market and deliver *Organizational Savvy* around the world. Contact us at broker@brandonpartners.com for more information or to schedule a *Fit Factors Discussion*.

3-Day Certification Workshop - In addition to being certified to teach classroom and webinar versions of this popular course, the *Affiliate Consultants Certification* will equip you with impressive and customizable sales and marketing materials. You'll also be Master-certified to train your firm's instructors or clients.
