Corporate Training in Organizational and Political Savvy

Consultant Bio

Paul Stuart excels in teaching organizational and political savvy, interpersonal influence, strategic influence, performance management, negotiating, rapid reading, project management, presentation skills, networking, and other skill sets. He brings to the classroom a passion, aptitude, and special expertise for the area of leadership development skills, with extensive managerial experience and proven facilitation skills.

Paul's background includes more than 20 years experience in the airline industry with British Airways, Scandinavian Airlines and Cathay Pacific, where he worked in a wide range of functions including Human Resources, Operational Management and Project Management. In the latter role he was Project Director for two major construction projects including a US \$225 million airline catering facility at the new Hong Kong airport.

He is a Graduate member of the Certified Institute of Personnel and Development, a Certified Strengths Deployment Inventory (SDI) facilitator, and seasoned trainer of Brandon Partners' Organizational Savvy courseware.

Beyond Mr. Stuart's affiliation with Brandon Partners in the delivery of Organizational Savvy programs, he is Regional Head of a UK based Training and Consultancy provider. This role encompasses both programme design and delivery and business development. He is also the Asia-Pacific Regional Director of a US-based provider of a wide range of diagnostic tools and surveys for both organisations and individuals.

Paul has conducted much training in Singapore, Hong Kong, China, Japan, Thailand, Australia, Indonesia, India, Malaysia, and throughout Europe. Due to his considerable international experience Paul grasps the added complexities involved in cross-cultural management. Originally from the UK, Paul also has other international exposure including project work in the Middle East, and has lived for 5 years in Hong Kong and 7 years in Singapore. This versatility ensures that Paul can adapt to the learning styles and different corporate cultures of his client populations.
