

BRANDON PARTNERS

Corporate Training in Organizational and Political Savvy

Consultant Bio

Delf Ornelas started out as a management consultant and trainer in the late 80's. Since then he has been involved in a broad spectrum of consulting and human resource training projects in diverse public and private organizations covering a broad spectrum of industries (e.g. computer & IT, hospitality & tourism, pharmaceutical & chemical, advertising/ marketing & media in Europe, Asia and Australia.

For a number of years he has worked at senior management level within the CommonHealth network of the world's leading health care communications organizations, where he has focused entirely on strategic, psychological and sociological brand development issues.

His professional experience includes key account management, coaching and developing multinational and intercultural project teams, championing organizational and cultural change initiatives as well as the facilitation of strategic concept and advisory board meetings for global organizations.

Delf's specialties include:

- Personal skill and responsiveness development
- Leadership and communication
- Team and intercultural competencies building
- Innovation and change management
- Presentation and effective moderation
- Strategic organizational development

He is fluent in English and German with basics in French. Delf studied law and sociology at Freie Universitaet Berlin, Germany and earned his MBA from Southern Cross University, Australia.

DEL F ORNELAS, M.B.A.

A seasoned organizational, management and leadership development professional with broad multi-cultural experience across a variety of industries.

“ Delf is known as a strong presence in the classroom, capable of translating complex and stretching concepts and principles into practical, usable skills and competencies in ways that fit participants' back-home environment.

”
