Corporate Training in Organizational and Political Savvy

## Consultant Bio

**M**atthew Mitchell has 25 years experience in business development, relationship management, and market penetration. He is an international speaker and consultant specializing in high performance and human potential. He gives people the tools and guidance necessary to eliminate the limiting beliefs that hold them back so that they can achieve excellence in their personal and professional lives.

Matthew received his Masters of International Management from The American Graduate School of International Management in Phoenix, Arizona and his MBA at ESADE, (Escuela Superior de Administracion y Direccion de Empresas) in Barcelona, Spain.

Matthew's diverse career has spanned a number of industries. He spent ten years in finance with US Leasing and GE Capital. He made a career change in the early '90's by going to work in the entertainment industry at Lucasfilm LTD to head their electronic editing systems division.

Matthew later served as VP of Television for two top post-production facilities in Los Angeles. He co-produced a television movie with Jamie Lee Curtis and Alan Bates called "Nicholas's Gift". He also spent time in the communications industry with Qwest Digital Media. In 2002 he began his own consulting practice specializing in high-level negotiation skills and organizational savvy.

As president of the board, and a volunteer for the "Center for Attitudinal Healing", Matthew facilitated life threatened individuals during their dying process. The work enabled him to bring a different perspective to his practice that many clients have described as transformational. Matthew is a member of the development board of "The Institute of HeartMath", a science-based non-profit research organization that has pioneered breakthroughs in the areas of health and education.

Matthew has worked with some of America's top corporations such as Boeing, Hewlett Packard, Microsoft, Yahoo, GE, Aetna, AT&T, Oracle, Caremark, Abbott Labs, and Citibank to increase the productivity of teams and individuals. ■

**MATTHEW MITCHELL, M.IM.**

A transformational corporate trainer and dynamic speaker who invites people to cultivate and harvest the innate skills that lie within us all.

“ I challenge companies to transform the fabric of their corporate culture by assisting people to extract meaning and value from the work they do. Utilizing higher principles from a broad range of disciplines, companies can increase individual productivity and overall corporate performance.
